- Resources and assessments.

Contact: lauren@fivetrails.org.za

LEARNING MANAGEMENT SYSTEMS

Visit our flagship online learning platform, Atlas - www.atlas.org.za. This showcases our team's ability as well as our partner network.

Our offering includes

- Custom online platform build with brand integration
- CRM Intergration
- Hosting of YOUR content on Atlas

Contact: paul@fivetrails.org.za

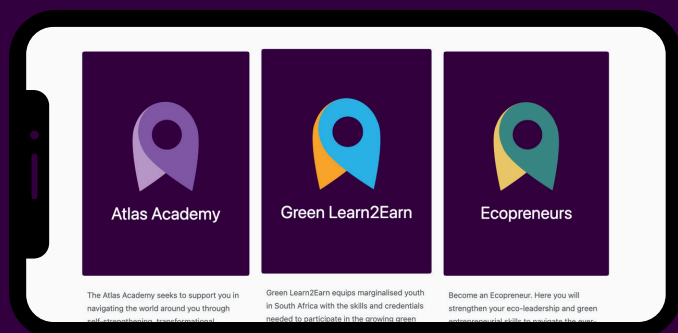

Atlas is FTA's online learning academy offering a range of free-to-access courses and resources; as well as partner content.

From online self-led courses, custom LMS builds, and mobile-friendly platforms, FTA can help you make a seamless transition to accessing a large digital community.

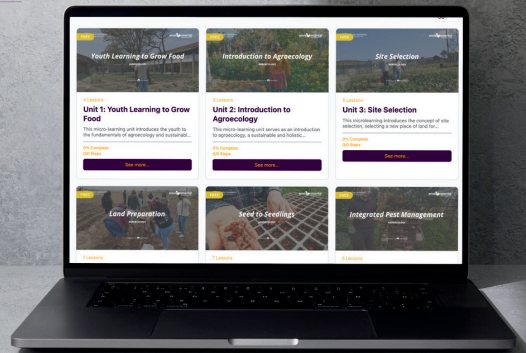

PATHWAYS TO POTENTIAL

USER REPORTING

Using Salesforce, we can generate reports covering:

1. User engagement
2. Demographics
3. Course completions, and
4. User progress

HOST YOUR PROGRAMME ON ATLAS

Join our network of partners who host their courses on Atlas - reaching over 45,000 users.

With your own course page, on our platform, you can maximise your impact and your reach.

E-LEARNING

An in-house production team can turn your next programme idea into an interactive video lecture series, including downloadable workbooks and resources.

THE LEARNING JOURNEY

Need an immersive learning experience?
A workshop you need to deliver?
Ready to go digital?
